

Two first prizes for this edition 2016!

VALEO INNOVATION CHALLENGE 2017

Innovate to make the car of 2030 and the way it's used more intelligent, intuitive, green and fun.

The winner of
« Best idea for
a new way to use
cars » will win
€100,000

The winner of
« Best technological
innovation »
will win
€100,000

AND the chance to develop their idea
within an accelerator to become a startup.
